CAREER OBJECTIVE

As a 3rd year Software Engineering student, I am eager to kickstart my career with Wiley Edge's Alumni program. Passionate about coding and keen on applying my skills to real-world applications, I look forward to comprehensive training, a supportive work environment, and opportunities for professional growth. My ultimate goal is to transition to a permanent role, bringing my innovative approach to software development and honed professional attributes to the forefront.

EDUCATION

Bachelor of Engineering (Honours)   Feb 2021 - Dec 2026 (expected)
Diploma in Professional Engineering Practice
University of Technology Sydney (UTS)

Software Engineering Major

EMPLOYMENT

Security Officer   Jun 2022 - Present
Priority Protection, Sydney
- Arriving on sites 20 minutes before shift starts to allow ample time to sign on and get briefed about the job
- Working as a group with guards to assure everyone's safety
- Communicating with clients to achieve results they want

Data Monitor   Apr 2022 - Jul 2022
BnbGuard, Sydney
- Required to scan through multiple properties and extract as much information as possible in small time frames
- Completed weekly work before deadline

TECHNICAL SKILLS

Software
- MS Office: Word, Excel, Powerpoint
- Google Workspace: Docs, Slides, Sheets, Notes
- GitHub
- Meeting based applications: MS Teams, Google Meets, Zoom, Discord

Coding Language Experiences
- Java, Javascript
- C, C++, C#
- Python
- HTML, CSS
- SQL

TRANSFERABLE SKILLS

Communication	As a security officer, I require the ability to speak professionally to clients to reflect the professional mannerism of my company. To talk to patrons kindly when approached and to help them when they are in need.
Leadership and Teamwork	As a result of my consistent and hardwork, I am one of the youngest Supervisors on my security teams. At stadiums, we get a minimum of 20,000 people running through the entry gates and as a supervisor, I need to maintain the guards on my team are able to handle the heavy workload and help them in need.
Punctual	Working as a security officer has made me more punctual as I have to arrive at the shifts earlier regardless if it is a night or day shift. As a data monitor for BnbGuard, I had to ensure all work was completed before the deadline to ensure I do not slow the rest of my team down.

AWARDS AND QUALIFICATIONS
